

Changing Pharmacy. Changing Lives.™

Mail Order Instructions

Using SaveDirectRx Mail Order Pharmacy is Easy!

Step 1 Register with SaveDirectRx

- Register online at www.SaveDirectRx.com
or
- Submit a Registration form by fax or mail

Step 2 Submit your new subscription

- Physicians can directly call or fax prescriptions to:
Phone: 888-637-5121
Fax: 888-637-5191
(Law requires prescriptions be faxed by doctor's office only)
- Original Prescriptions can be mailed to:
SaveDirectRx
P.O. Box 696054
San Antonio, TX 78269
(Please include your name, date of birth, and phone number or a New Prescription Order Form)
- SaveDirectRx accepts the following methods of payment:
Check, Check-by-phone, Money Order, Debit Card, American Express, Visa, MasterCard, and Discover.
- Please note prescriptions will be shipped upon receipt of payment.

Requesting Refills

- Always request your prescription refills early enough to allow time to have it processed and shipped to you. A 90-day supply of medication can be requested up to 21 days in advance.
- Request refills 24/7/365 by going online to www.SaveDirectRx.com or use our automated refill system by calling 888-637-5121.
- Class II controlled medications are not filled through SaveDirectRx. You can obtain this class of medication at your local retail pharmacy.
- No automatic refills will be done; patients must request a new fill each time.
